AFTER DEATH.

[illegible]

tional poems—I have but one demurrer:—
 Bludge did not, merely do his duty, but
 do it *thoroughly*. He did a voluntary
 to which he was bound by no code or
 contract, civil or moral; just as he who
 inured to it to that poem, when his Victoria
 was—as many a cross, Victor and other,
 won won—by volunteering for a deed to
 which he was bound by no code or con-
 tract, military or moral. —And it is of the
 same nature as the "thoroughness" of
 the poet, that should be voluntary, a want,
 a preparation, at least, towards society
 to do an act to which the hero or heroine
 was bound by duty, but which is above
 duty, not against duty.—Health and Edu-
 cation. By Charles Kingsley.
